

DECARBONIZATION  
& NET ZERO  
SOLUTIONS

- Intelligent modular hybrid fluid coolers
- Adiabatic coolers and condensers

- Air-source heat pumps
- Air-cooled chillers

- Bulldog 2.0: Hybrid heat pumps for decarbonization

- Electric boilers
- Electric fluid heaters
- Electric unit heaters

- Roof top ERVs/HRVs
- Ceiling mount ERVs/HRV
- Quiet, decentralized ventilators

- Low ambient operation air source boiler
- High temperature water source boiler
- Heat recovery units

COOLING  
TOWER  
SOLUTIONS

- Cooling towers
- Fluid coolers
- Adiabatic coolers and condensers
- Evaporative condensers
- Ice thermal storage

- Condenser water control valves
- Cooling tower make up valves
- Actuators

- Factory authorized cooling tower service
- Complete cooling tower refurbishments

HYDRONIC  
SOLUTIONS

- Energy Efficient/ Smart pumps
- Complete HVAC/ Industrial pump range

- Plate & Frame heat exchangers

- 60% more energy efficient air & dirt separator
- Vacuum degassing unit
- Hydraulic separators
- Expansion Tanks

**AIRSIDE  
HVAC  
SOLUTIONS**

- Custom air handlers

- Energy recovery ventilators

- Exhaust fans
- HVLS fans
- Make up air units

- Complete packaged HVAC units

- Make up air units
- Unit heaters

- Roof top ERVs/HRVs
- Ceiling mount ERVs/HRV
- Quiet, decentralized ventilators

**WATER  
HVAC  
SOLUTIONS**

- Cooling towers
- Fluid coolers
- Adiabatic coolers and condensers
- Evaporative condensers
- Ice thermal storage

- Bulldog 1.0 hydrid heat pumps
- Bulldog reversing heat pumps

- DX and hot water coils

- Bag filters
- Screen filters
- Disc filters

**VFD  
SOLUTIONS**

- Variable frequency drives
- Filters
- Transformers

- Variable frequency drive
- Filters
- Transformers

**RETROFIT  
SOLUTIONS**

- Replacement heat pumps
- Replacement and new packaged terminal air conditioners

- ECM fan arrays for air handlers

- Replacement air handler coils
